Click here to login into the WTW site and to log on to your personal pension account (ePA)

There is lots of information here to read and download.

## WELCOME TO THE **HOWDEN** JOINERY PENSION PLAN WEBSITE

The Howden Joinery Pension Plan (HJPP) website is for members of the DB (Defined Benefit) Plan. It provides you with information on your options at retirement, allows you to compare your options side-by-side, learn more about tax and State Pension. You'll find this information available under the Planning for Retirement section (below-left). You can also login to your own pension record through ePA (below-right). ePA is a useful online tool which allows you to: Run retirement quotes and projections; Access your latest benefit statement; Keep your expression of wish form up to date; View your Top-Up Account investment performance, investment choices, latest transactions and unit price history and much more.

### **Planning for Retirement**

There's more to retirement than you might think. Will you choose to take your DB Pension from the Plan or look at options to transfer out and access additional flexibility?
